SSC Celebrates 140 Years of Service

1994 marks the 140th anniversary of the founding of St. Stanislaus College in Bay St. Louis, Mississippi.

In 1847, five Brothers of the Sacred Heart were sent from France to open a school in Mobile, Alabama. Shortly thereafter, Father Stanislaus Buteux, pastor of Our Lady of the Gulf parish, requested that some Brothers be sent to teach the children of his parish. On January 5, 1854, three Brothers arrived in Bay St. Louis, and the history of SSC began.

In the fall of that same year, Father Buteux requested more Brothers so that a boarding school for boys could be started.

The first building was wooden and consisted of three classrooms, a parlor, dormitories and an infirmary. It was built at a cost of \$3,800.

In 1855, Brother Athanasius was named the first president of St. Stanislaus College, and in 1859 he added a two-story frame building behind the first

building. The new structure added dining rooms, a kitchen, and rooms for the Brothers. More buildings were added in 1866 and 1867.

Through the years additional buildings were constructed, and the school survived yellow fever epidemics in 1867 and 1897, and a hurricane in 1893. On June 21, 1903, fire destroyed most of the buildings, but school reopened the following September using temporary quarters. A new building was ready for occupancy in June, 1904. The new SSC was a colonial style building with classrooms, administration offices, and dormitories.

In 1947, a severe hurricane caused extensive damage and classes were suspended for two weeks. The pier was destroyed, but a new pier was completed by the summer of 1948 and survived until Hurricane Camille in 1969.

In 1966 a ten-year building program was initiated and included the construc-

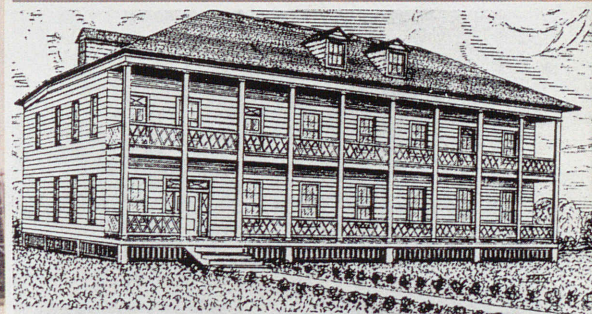

tion of Aurelian Hall, and renovations to the chapel and dining hall.

Hurricane Camille caused such severe damage to the 1904 school building that a new classroom building had to be added to the plans.

In August, 1971, the present two-storey classroom-administration-student union complex was completed. In 1978, the Brother Peter Memorial Gymnasium was dedicated.

In 1992, under the leadership of Brother Paul Montero, Principal/President, SSC added eight more classrooms to the existing structure. And in that same year, Dr. Michael Ryan assumed duties as the first lay principal in the 138-year history of St. Stanislaus.

This year, as we celebrate the 140th anniversary of SSC, we look back to how things were, how we are today, and what the future holds as we prepare for the 150th anniversary in 2004.

... Tomorrow ... Countdown to 2004

With 140 years of its history completed, St. Stanislaus now looks forward to the future and its Sesquicentennial in 2004.

The dedication of the Diboll Heritage Plaza on September 30, 1993 marked the beginning of a number of projects that will culminate in the 150th celebration.

A Strategic Plan is underway that will serve as a catalyst for moving SSC into the next century. The plan encompasses the areas of religious formation, curriculum, personnel, facilities and public relations.

A more visible activity is the "Sesqui Project." Under the guidance and direction of Dr. Marco Giardino, faculty and students will explore the archaeology of various sites on campus.

Another project includes the placing of markers to commemorate historical sites on the 25 acres that comprise the SSC campus. These markers will be part of an outside walking tour of the campus.

On April 22, 1994, a Mass was celebrated in the Brother Peter Memorial Gym commemorating the 140th anniversary of SSC.

We look forward with anticipation to the completion of the many projects already begun and the start of others as we continue to grow through the latter years of the 20th century into the 21st.

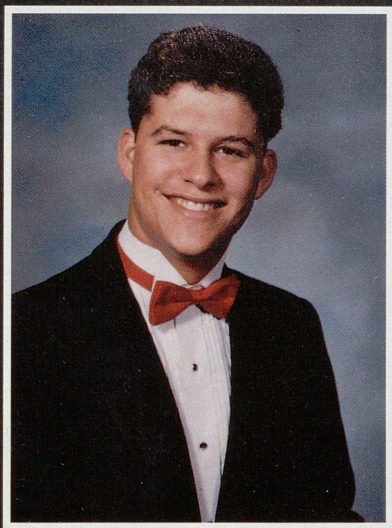

Above, eighth graders in Mrs. Barr's Science class work on the Sesqui Project with Dr. Marco Giardino. Lower, juniors in Mr. Gemelli's class work on the archaeological "dig."

Senior Year Begins with Ring Mass

The Senior year for the Class of 1994 officially began on September 1 with the Senior Ring Ceremony. At left, Father Peter Mockler, pastor of Our Lady of the Gulf, blesses the Senior Rings, assisted by SSC principal Dr. Michael Ryan.

Below, the Class of 1994 celebrates with the traditional pandemonium at the reception following the ceremony.

Next page, clockwise from top left, Seniors Kevin McKnight, Asad Azhar, and Kenny Monti offer petitions at the Mass; Brother Joseph Donovan calls the names of the Seniors; Dr. Ryan addresses the Class of '94; Gift Bearers Drew Scafide, Todd Black, and Darrell Hollis; Gilly Chamberlain receives his ring from Dr. Ryan and SSC president Brother Paul Montero; Seniors Eric Ascani, Marc Rutherford, Raul Fuster and George Kerner show off their rings.

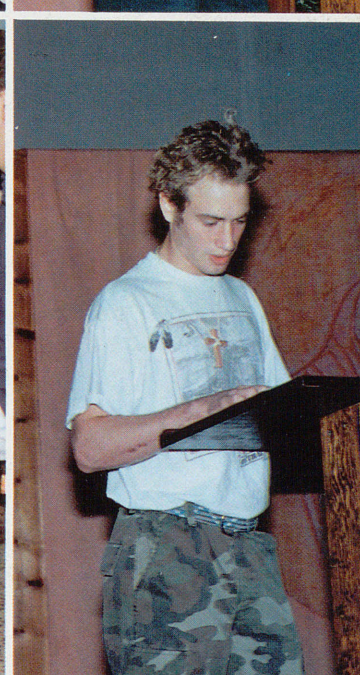

Senior Retreat

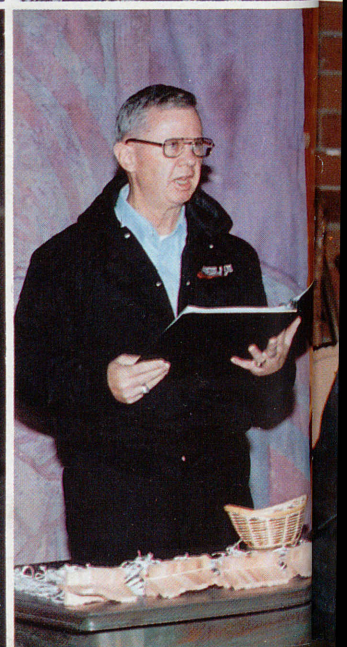

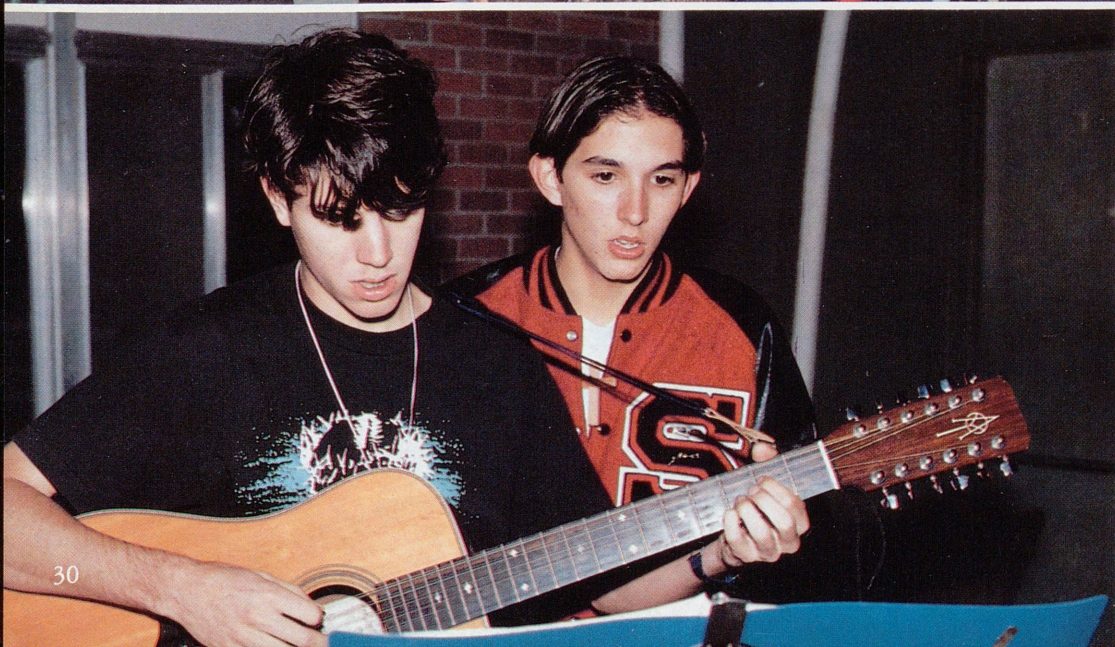

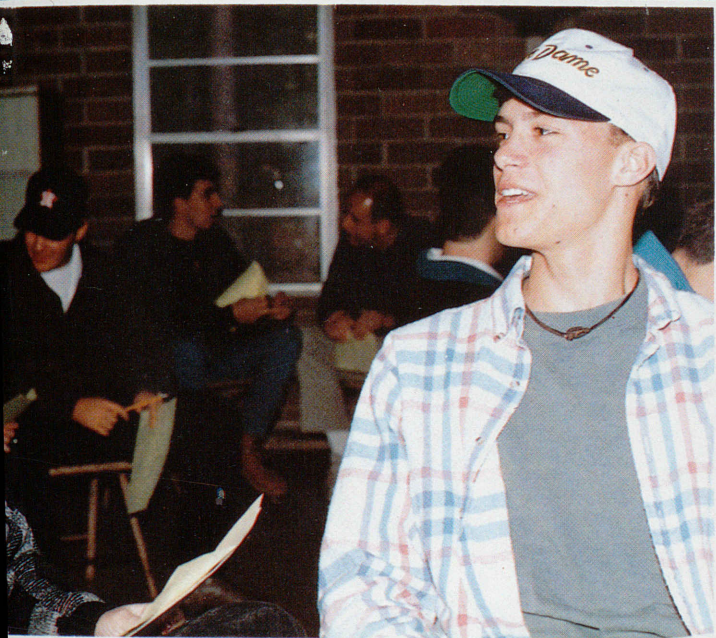

The Senior Retreat marked one of the highlights of the year for the 140th graduating class of SSC.

For all of the seniors, the retreat provided an opportunity to come together as a class, to get to know one another and become closer, to learn to accept and love each other, and to grow closer to God.

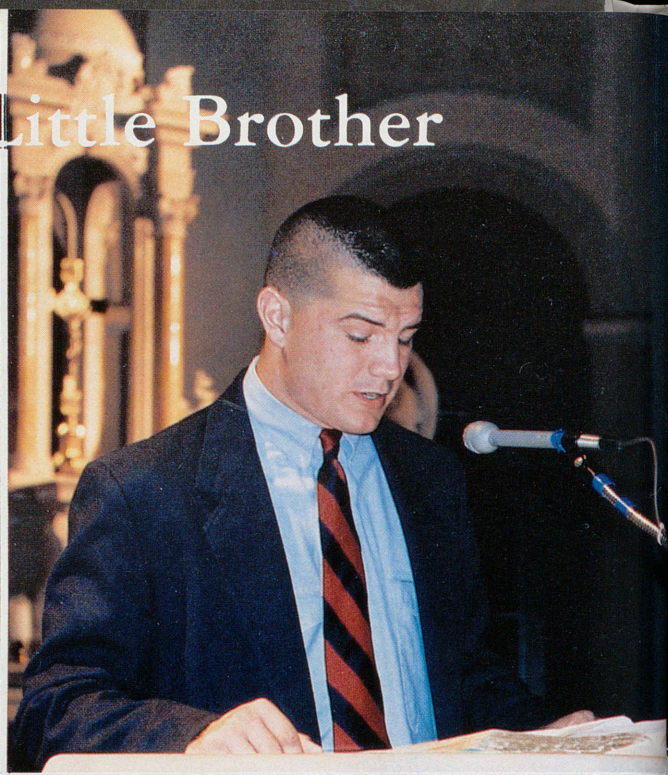

Top, Seniors give a cheer at the close of the retreat led by Father Kelly; Center left, Brother Ray Hebert celebrates the closing Mass; Middle, Brother John gives a talk; Right, Les Fillingame talks to his classmates; Lower left, a discussion group led by Mrs. Ryan; Left, Marc Rutherford shares his thoughts.

Top left, Philip Garcia and Gil-ly Chamberlain join in the spirit of the "ice breaker"; top center, Michael Smith and Jacob Alford bring up the gifts at Mass; top right, Imari Esters and Eno Peterson enjoy a chat; center left, Brother Paul and Brother Lee distribute crosses; middle, Mrs. Cromwell and Drew Scafide have a lively discussion; above, a group of seniors just killin' time; far left, Adam Hains and John Bezou provide the music; lower center, Father Kelly blesses the crosses; lower left, Brad Beridon and Steve McGraw share a laugh.

Big Brother/Little Brother

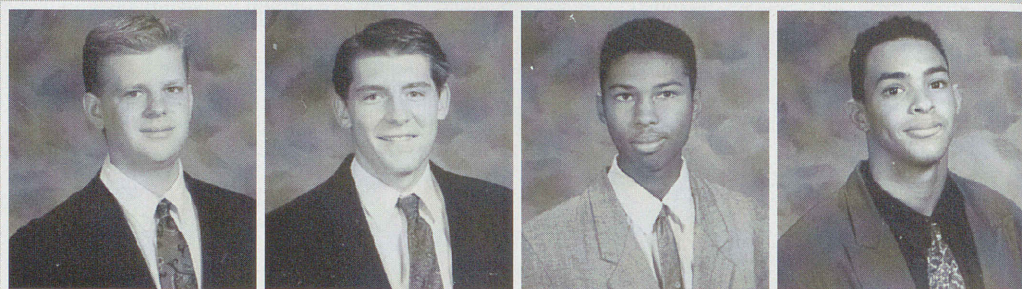

The Big Brother/Little Brother program, under the direction of Mr. Walter Damiens, was begun a few years ago to give the sixth and seventh graders someone they can look up to (the Seniors) who can "show them the ropes," or just be there when they need someone to talk to. Above left, Jody Richardson speaks on behalf of the Little Brothers, while above right, Peter Martinez represents the seniors. Center left, the sixth and seventh graders are decked out in their finest for the occasion. Lower left, Representatives from each class light candles of unity. Lower right, Jim Henry greets his Little Brother.

Among the activities the club enjoys are performances by professional and amateur magicians, demonstrations by fellow club members, and the sharing of tricks and illusions.

Radio Club

St. Stanislaus High School Amateur Radio Club officers, from left, Ty McMichael, president; Jason Braud, vice-president; and Patrick Cousins, secretary/treasurer.

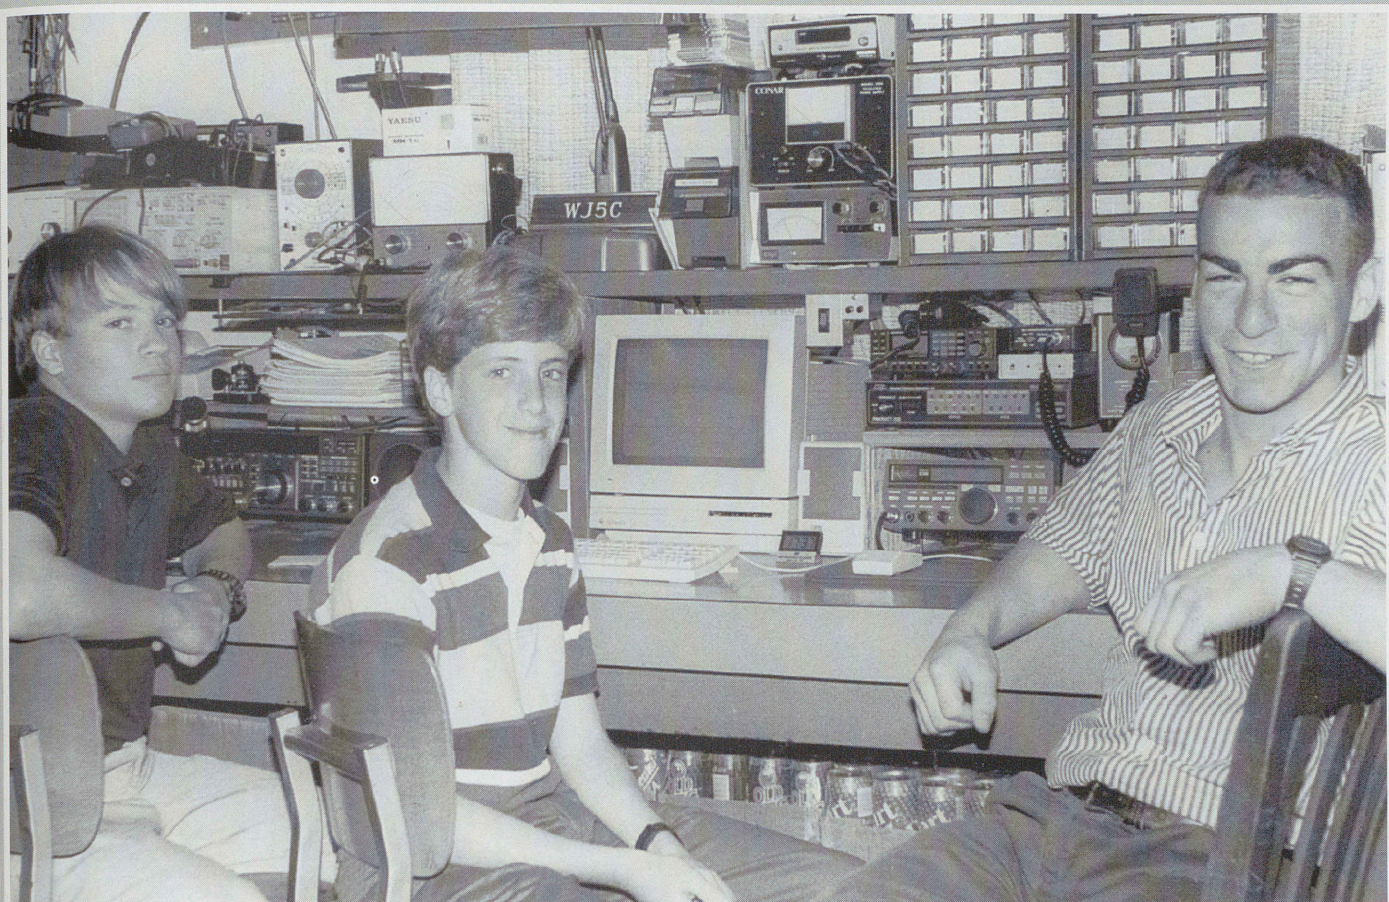

The SSC Amateur Radio Club sponsored a Novice license class again in the fall of 1993. Eighth graders Hugh Parry (KC5EMU) and Shannon Drake (KC5EMT) passed the test and received their novice license.

The club traveled to hamfests in Biloxi, Mobile, Pascagoula, Jackson and Hammond this year. At these hamfests, members were able to meet other hams, see a variety of new and used equipment, and purchase needed electronic items.

Individual members participated in the Novice Roundup, the annual on-the-air event especially for beginners. Mid February saw the club participate in the School Club Roundup. In 1992 and 1993, SSC achieved third place among schools throughout the country.

With the equipment the club now has, they can communicate directly through ham radio satellites with other parts of the U.S. and the world.

Band

The 1993-94 SSC Marching Band

This year our St. Stanislaus Music Department welcomed Ms. Jacqueline Davidson as our Assistant Band Director. Ms. Davidson is in her 32nd year of teaching.

We've all heard the saying, "Success breeds success"; well, this can certainly apply to the 1993-1994 band. Each year as our performing bands grow and improve, we seem to be busier and busier. This year's activities and performances included: flag and band camp (& parties), dedication of the Diboll Plaza, Big Brother/Little Brother ceremony, eight football games, Deep South Marching Contest, and the Southwest Marching Festival, where our Percussion section earned "Best in Class."

Other events included the Oakwood Mall Christmas Parade and Concert, the A.C.E. Competition performance, and the Christmas Concert.

Sarah Gromko and Adam Hains represented our schools at the State Band Clinic, and Karleen Lawrence and Philip Lenfent auditioned for and made the Gulf Coast Band Clinic.

In addition, the band held its annual fundraiser, the Pep Band performed at six basketball games, and the entire band marched in two Mardi Gras parades.

SSC's Beginner Band, boasting fifty members, performed and marched in Bay Catholic's annual Mardi Gras children's parade.

The entire band competed in the South Mississippi Concert Competition and at the District Concert Competition held at Pearl River Community College.

Rounding out the year's activities was the first annual Smoke and Jazz Festival, the state-wide Winter Guard Festival, the St. Patrick's Day parade, and the Spring Concert.

Band officers for 1993-94 were: Lonnie Becnel, president; Sarah Gromko, vice president; Alex Karlin, secretary; Karleen Lawrence, treasurer; Glenn Pearce, chaplain; Melissa Knight, historian; Aimee Griffith, Leora Madden, and Matt Holder, librarians; Matt Holder, Drum Major; Melissa Knight and Melinda Wiggins, guard captains; and Jeremy Penton, percussion captain.

Drama

The drama club, under the direction of Mr. Walter Damiens, presented the comedy *Down to Earth* for three performances.

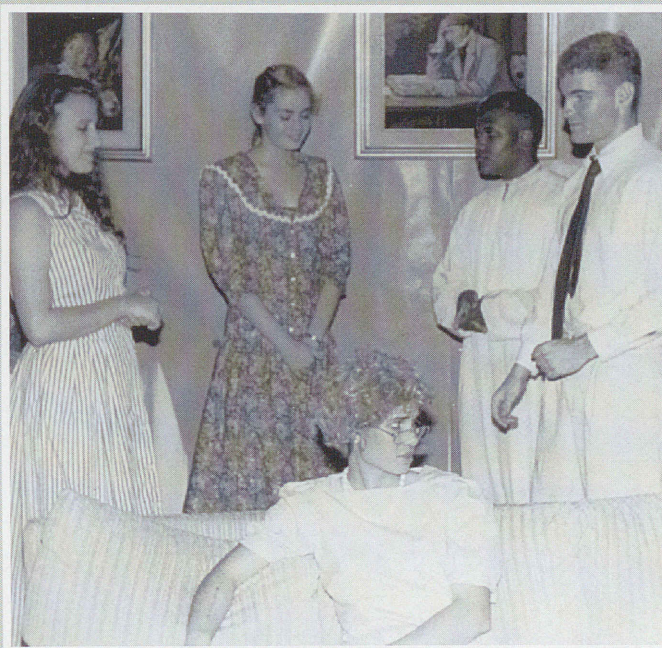

The story revolves around two angels, Agnes (Monique Hazeur) and Wilfred (Ashley Cox) who have come to earth to "collect" to mortals, Augusta Applegate (Anna Hall) and Herman Howell (Warren Kempf).

Complications set in when the two angels are accompanied by an univited and mischievous third angel, Pilone (Matt Holder). To make matters worse, Augusta isn't ready to die because she doesn't want to leave her money behind, although her children Orpha Teel (Lorien Stahl) and Ruthie Teel (Sarah Gromko) can't wait to get their hands on it.

Meanwhile, Pilone tries to match up everyone, and falls in love with Augusta's maid, Diana Clump (Kara Kortman).

In a strange twist of fate, Diana is hit by a car, becomes an angel, and heads off to heaven with Pilone.

Opposite page, top, the invisible angel Pilone (Matt Holder) takes a fish intended for the cat from Diana Clump (Kara Kortman) and eats it, making it disappear, of course. Below, Ruthie Teel (Sarah Gromko) tries to fix up her daughter Orpha (Lorien Stahl) with the nerdy (but rich) Robert Hanley (William Hillyer). This page, top left, the angels Agnes (Monique Hazuer) and Wilfred (Ashley Cox) devise their plans. Top right, Baxter Bromsley (Patrick Cousins), wife Millie (Shirley Niolet) and daughter June (Anne Courrege) are so happy to see Augusta (and her money). Center left, Pilone up to no good with Ruthie and Robert Hanley (Tim Kayes). Center right, the family gathers while Wilfred ponders his plan. Lower left, June presents her boy friend, Richard White (Glenn Pearce) to aunt Augusta.

Opposite page, the mischievous, and invisible, Pilone (Matt Holder) works his charm on Diana Clump (Kara Kortman) while Herman Howell (Warren Kempf) watches dumbfounded; lower left, Pilone works his magic to bring Augusta (Anna Hall) and Herman together; lower right, what appears to be a floating cup and teapot is really Pilone just having a good time. Top center, the angels, Agnes (Monique Hazeur) and Wilfred (Ashley Cox) are just trying to do their job and get back to heaven, but Pilone has other plans.

Newspaper: *The Rock-A-Chaw*

by Mike Smith

We, the *Rock-A-Chaw* staff, have spent countless hours and a tremendous amount of energy putting together this year's issues of our school newspaper.

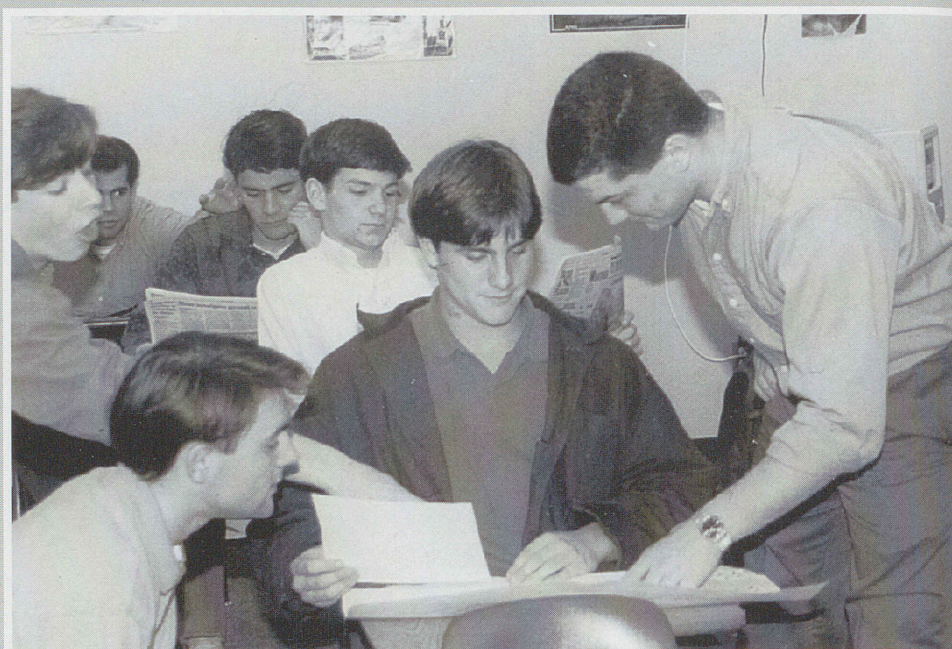

Now we would like to tell you what it took to put out each issue.

At the beginning of the year, Mr. Clingon, our moderator, directed us completely in the format, production, and distribution of the newspaper. As the year went on, he gradually relinquished to us the control and production of the paper.

Eventually we assumed full control of most aspects of the paper. The last few issues were primarily under the direction of Editor-in-Chief, Philip Garcia.

The *Rock-A-Chaw* staff has five section editors who oversee the production, story assignments, and editing of each section of the paper. They are Nick Cristiana, News Editor; Philip Garcia, Editor's page and Viewpoints Editor; Matt Carver, Features Editor; Asad Azhar, Sports Editor; and Peter Martinez and Tony Torres, Advertising/Business Editors.

Reporters, arguably the most vital members of the staff, included Bryan

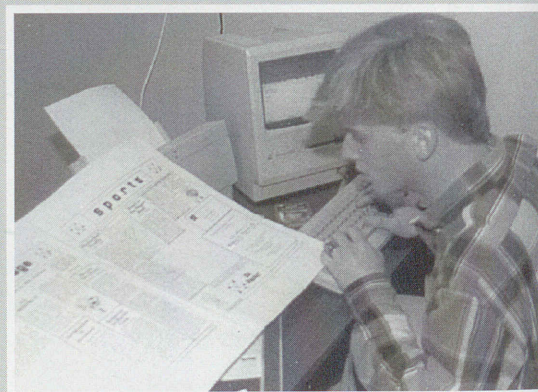

Carter, Jason Blanchette, Mike Downing, Darrell Hollis, Eduardo Jimenez, Jason Mayer, Charles Oliver, Marc Rutherford, Brandon Terry, Jeremy Thames, Matt Wilty, Mike Smith, Drew Dekle, and Frank Kerbl. The Art Director was Shawn Williams, and Russ Graham was Photography Director.

The procedure for putting together each issue was as follows. Each section editor would assign a topic for an article to a reporter. The reporter would then research and write a rough draft copy of the article on the computer. The section editor would then proff the copy and print out a hard copy (on paper) which would then be trimmed and "pasted up" by the section editor on a grid.

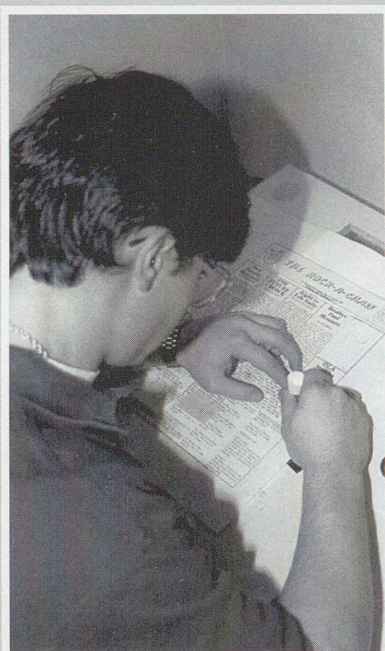

The completed grids would then be taken to the printer who, in a day or so, would print 1,000 copies of the paper.

The papers would be picked up and distributed the next morning during homeroom and recess.

It has been a pleasure putting together this year's editions of *The Rock-A-Chaw*. We wish next year's staff the best of luck.

Above, the newspaper staff hard(ly) at work? Far left, Nick Christiana does the final paste-up. Above center, Brandon Terry confers with Asad Azhar. Above, Jeremy Thames at work on the computer making the copy fit.

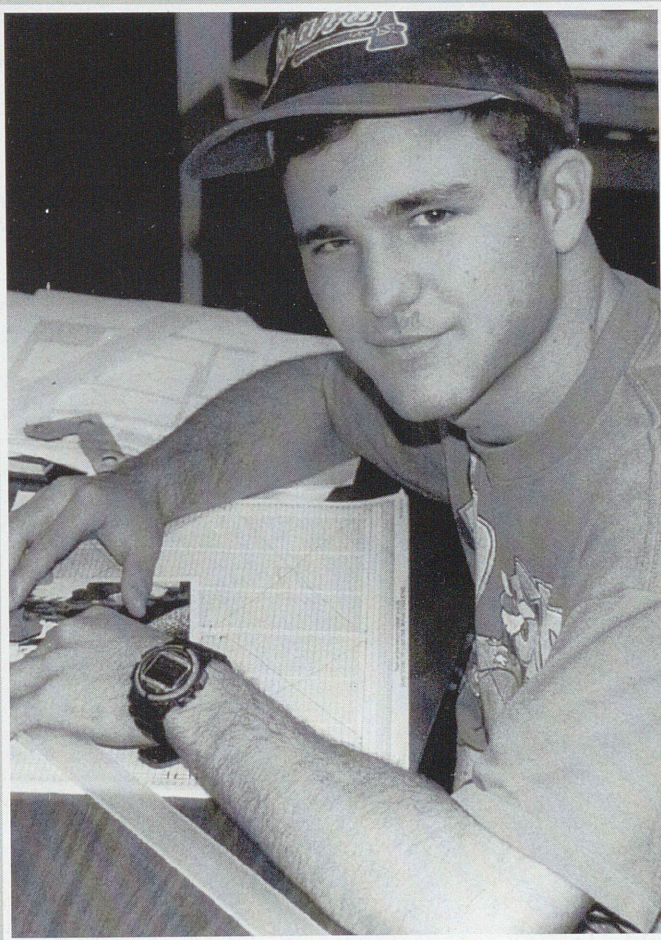

Yearbook: *Reflections*

Putting out the yearbook is a year-long task, with the greatest challenge trying to cover everything important during the year and capturing it for posterity. This year's staff has put in many long hours trying to make this book one of the best ever.

At left, co-editor Randall Hoerner works on layouts at the computer. Getting everything to fit just right on the page is a great task, but the computer helps do it more quickly. And it's a lot easier to correct mistakes.

No one but a photographer and darkroom technician can appreciate the time that goes into taking, developing and printing pictures. Lower left, Chief photographer and darkroom technician Raul Fuster, hard at work on printing. After the pictures are ready, the next task is to make sure they'll fit on the page. Lower right, co-editor Leo Laurent works on cropping photographs to fit the layout.

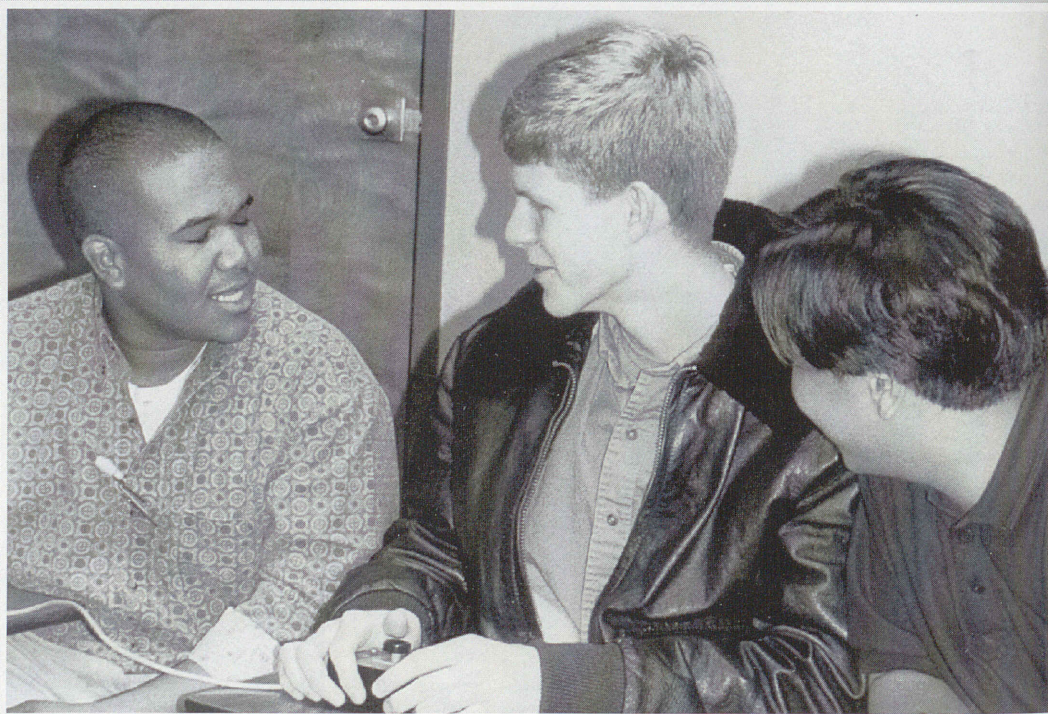

Quizbowl

To some it may seem like a "trivial pursuit," but to advocates of Quizbowl, it's the difference between a win and a loss.

Keeping up with current events, history, geography, art, and music are just a few of the areas that occupy the time of the SSC Quizbowl team. Meeting several times a week with their moderator, Brother Alan Drain, the team members prepared for competition against other Gulf Coast schools.

The Rock-A-Chaw soccer team had a blazing start this season, and carried the momentum into the State Playoffs. The Rocks clinched their third division title by defeating the St. John eagles on January 18, 1994. Having clinched the title the Rocks looked ahead to the State Playoffs. They were led by Senior Charles Oliver and Sophomore Brad Cannon in scoring, while Sophomore Leo Laurent, Junior Brooks Quinlan and Seniors Niel Hietzmann and Bobby Williams held their ground. The Senior halfbacks Drew Scafide, Frank Kerbl, and

Eduardo Jimenez assisted with crucial goals in several matches. The Soccer team began the playoffs with a strong showing against Forest Hill in round one. Forest Hill defeated the Rock-A-Chaws two years ago in the State Semifinal game. Unsatisfied by a tie in a previous game to coast rival Ocean Springs the soccer team defeated the Greyhounds in the second round of the playoffs.

Boys take District Title; Girls capture State again

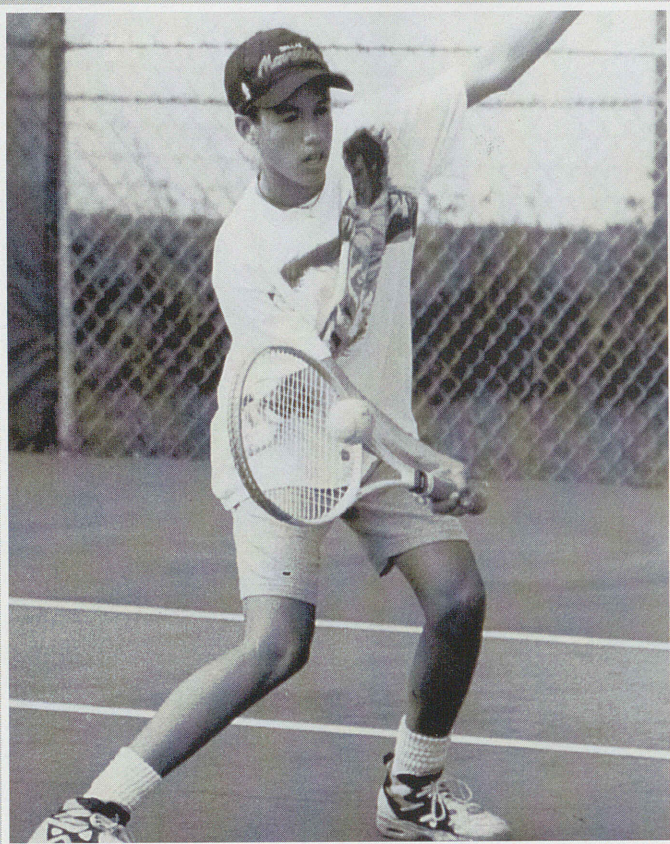

The 1993-94 SSC/OLA tennis team was able to turn a "rebuilding year" team into a worthy contender by season's end.

The regular season record was a respectable 9 wins and 9 losses, but the team managed to peak during post-season play.

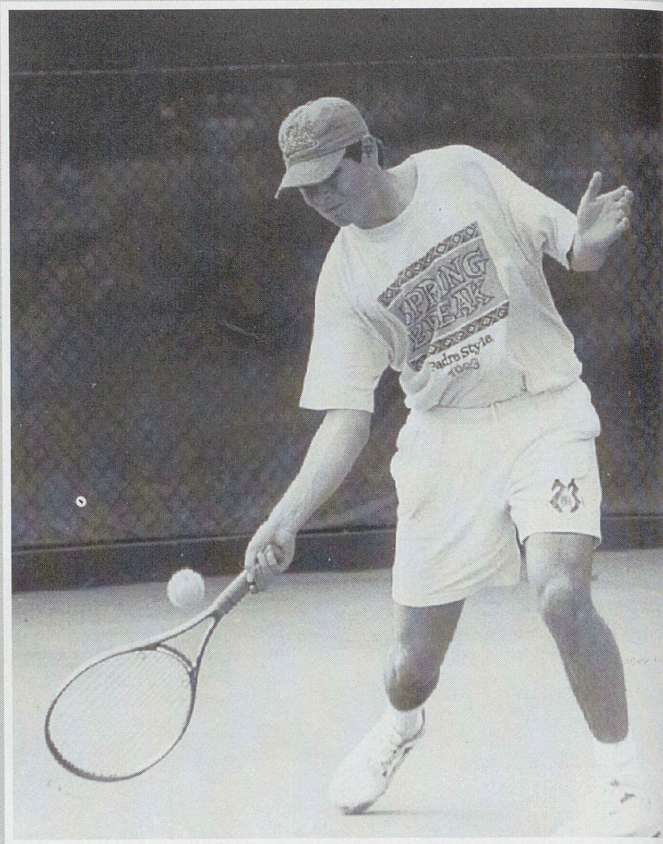

Senior Scott Pepperman (left) captured the District 8 Boys' Singles Championship, while Junior Hector Hernandez and eighth grader Alejandro Portales captured District Boys' Doubles honors in dominant style.

Kevin Watts performed well at the Mixed Doubles position most of the season.

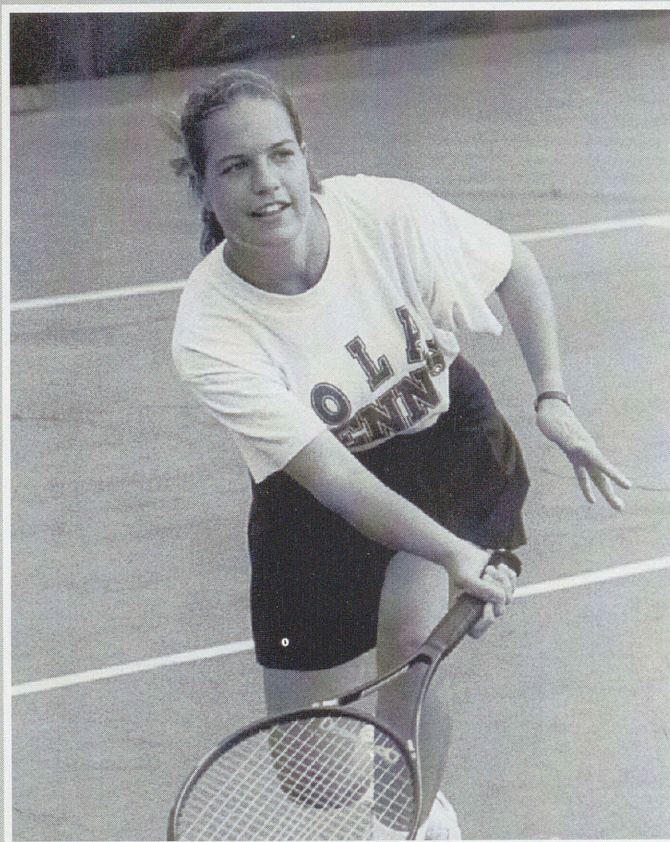

Meanwhile, Caroline Weems, Lindy Heitzmann, Marion Labat and Mary West were the top female players. Caroline and Lindy were dominant enough at the Girls' Doubles position to win their fourth consecutive district title and to "three-peat" as the State AA Doubles Champions.

Track

After taking the district title for six consecutive years, the SSC track team came in second this year behind D'Iberville.

Dorm A

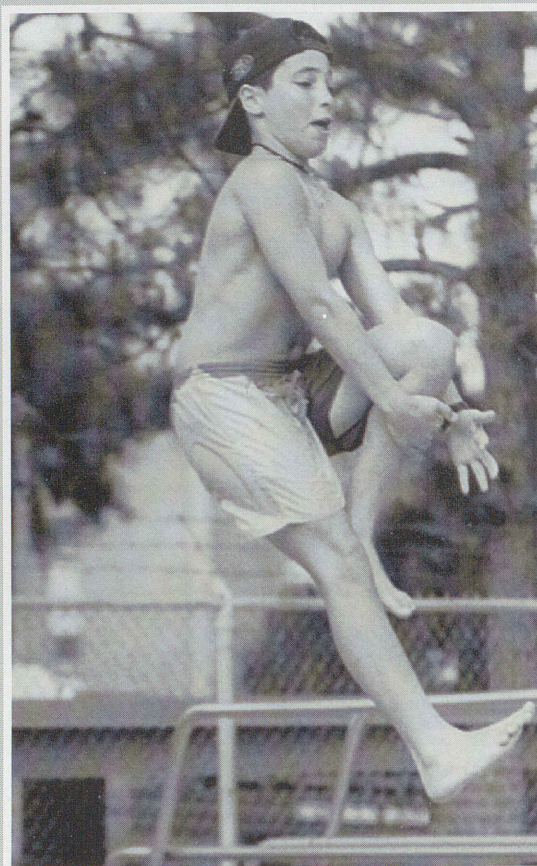

Being a resident student is a great opportunity. I get to live with three other roommates of my choice. In the summer when it's hot, sometimes 3 or 4 people get to go skiing. The dorm is a great place. It prepares me for college. I like being a resident student because I get to see my friends more often. I would love to remain at St. Stanislaus until I graduate.

Jimmy Michelli

Most people think of St. Stanislaus as a place where boys are sent when they need to be straightened up. Yes, boys are sent there, and they are straightened up; but, St. Stanislaus is also a place of freedom to pray.

During my first year at Stanislaus, I was always getting into trouble for "stupid" things. I'd miss an easy homework assignment because I didn't care. But once I learned to care, I stopped getting into trouble. Stanislaus has taught me many lessons, and I thank the school for that.

Andre' Favret

To be a student in Dorm A means that my parents really care about me. They want me to get a good education so I can get a good job when I get older. And I'm really thankful for this opportunity.

Brent Caballero

It is fun to be here at St. Stanislaus. I learn things and my prefect is very nice to me. It is like a family, and I know everyone in the dorm like a brother.

Another reason I like SSC is that all the people are nice to me. It is hard to become an enemy with any of the teachers or any member of the staff.

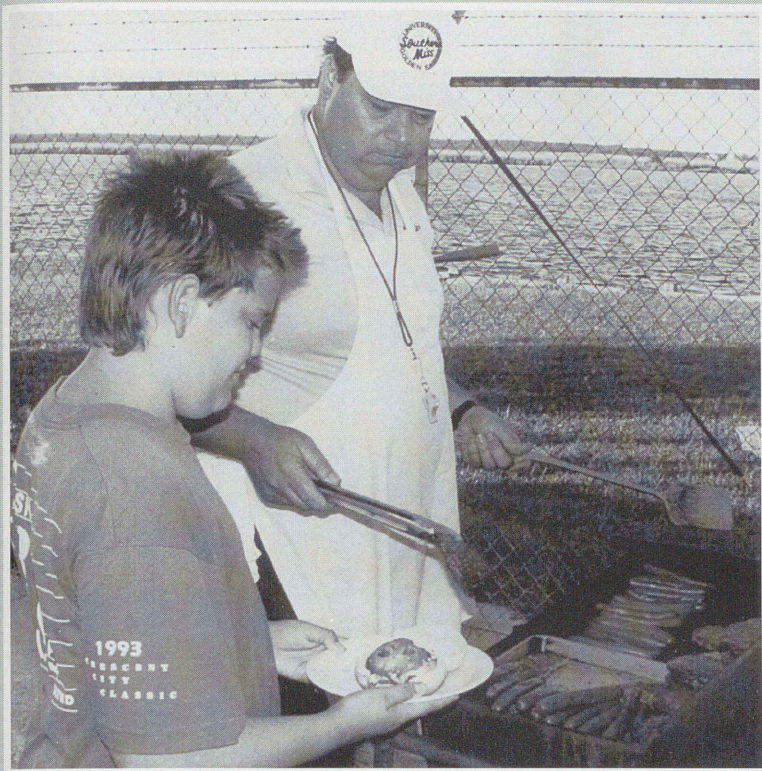

We also get to go swimming when it gets hot. There are a lot of sports we can get into after school, like football, baseball, basketball, and volleyball.

There are nighttime activities after study period. In study period the prefects answer all your questions and help you if you need it. The food is good, too, especially the grits in the morning.

Dorm B

The eighth and ninth grade boarders of Dorm B participated in numerous activities throughout the year.

In addition to the regular school extracurriculars, they were able to play intramural sports sponsored by the dorm: flag football, basketball, soccer and softball.

For nights and weekends, the "rec hall" provided activities such as pool, ping pong, video games and TV.

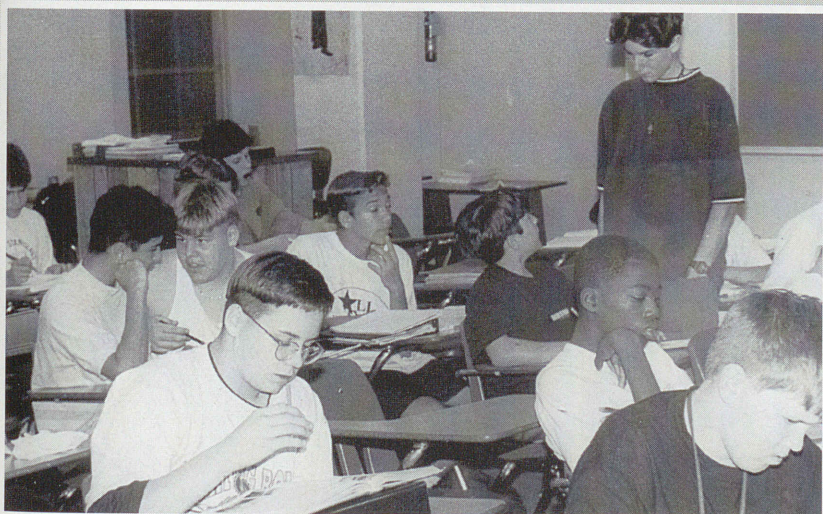

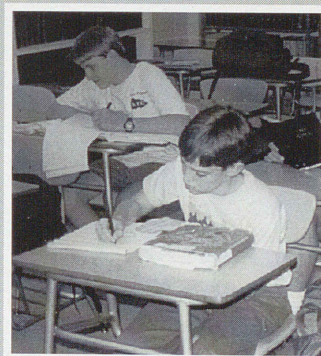

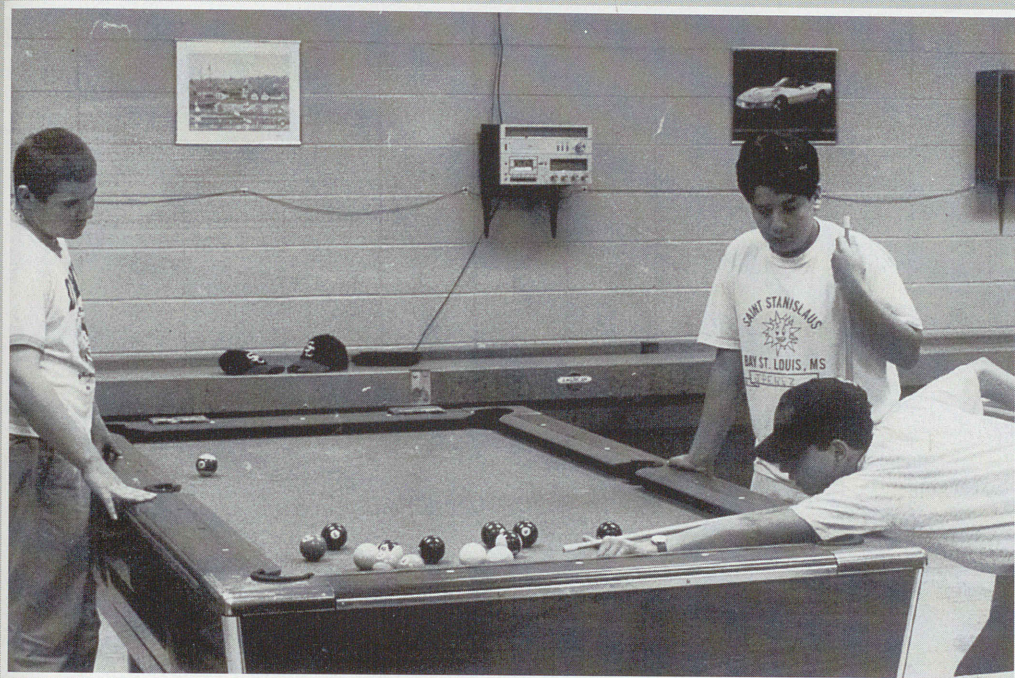

During their before and after school hours, Brother Eduardo, prefect, and Brother Chris and Mr. Carroll, assistant prefects, provided help and encouragement to the boarders of Dorm B. Study periods were enhanced through the help provided, soft background music, and use of computer enrichment programs.

New features of Dorm B this year included the snack bar, or "Canteen," and the newspaper, the "Dorm B Gazette."

Dorm E

by Corey Charles

Dorm E consists of 42 students, one prefect, Mr. Ron Willy, and two assistant prefects, Mr. Bobby Moore and Mr. John Ross.

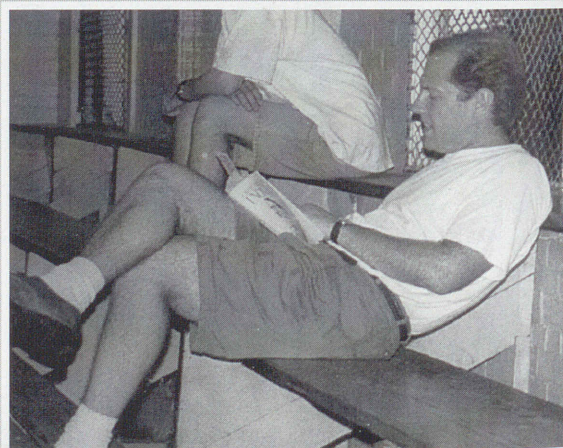

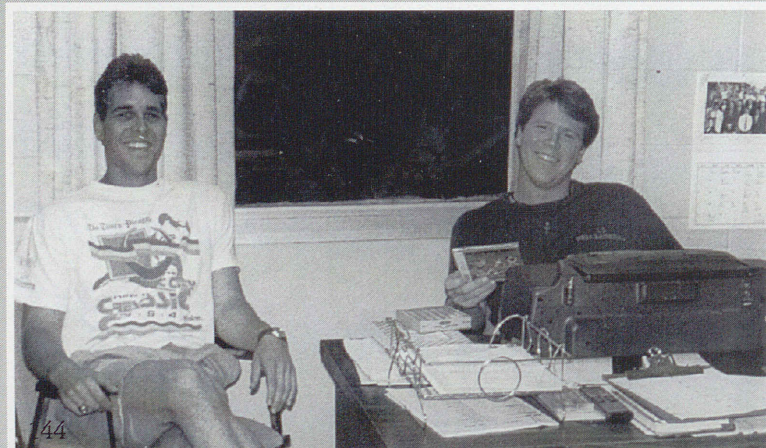

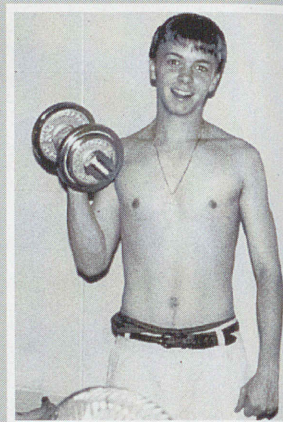

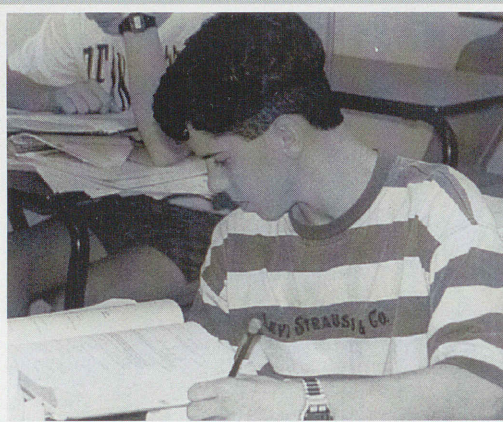

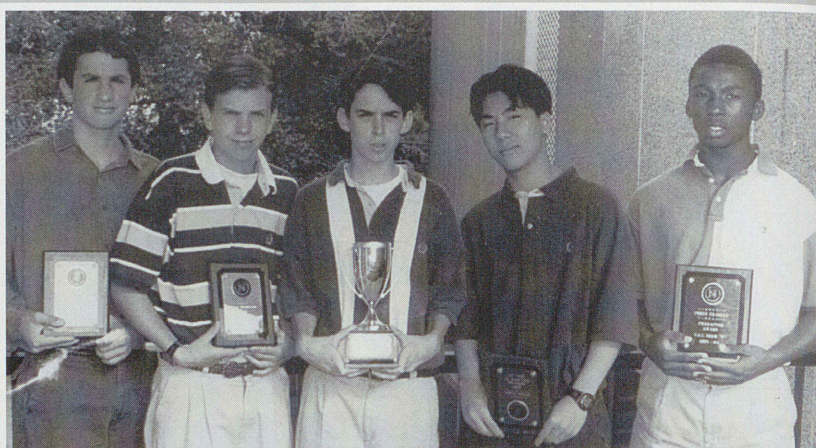

A day in Dorm E prepares all of us for school with, among other pursuits, study periods and quiet time. In this particular dorm, we study a minimum of two hours and fifteen minutes Monday through Thursday unless we have academic honor roll privileges. Then, once a week, we can miss one study period for Beta or two study periods for Alpha or President's.

When most of us leave study period, we feel ready for class or even a test. Nearly half of the students in Dorm E made the honor roll at least once during the 1993-94 school year.

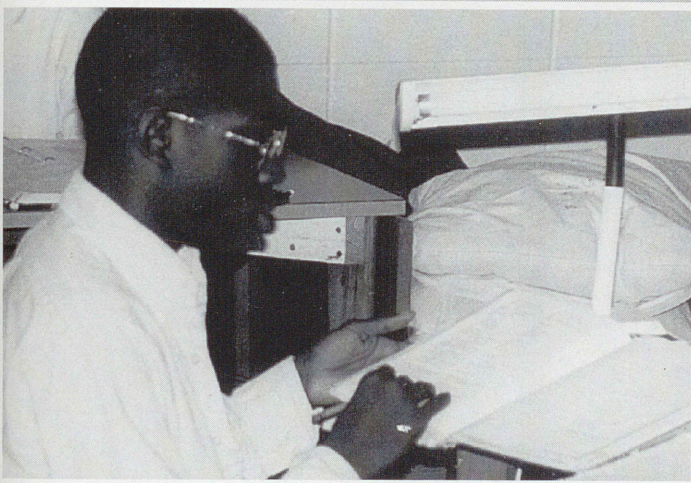

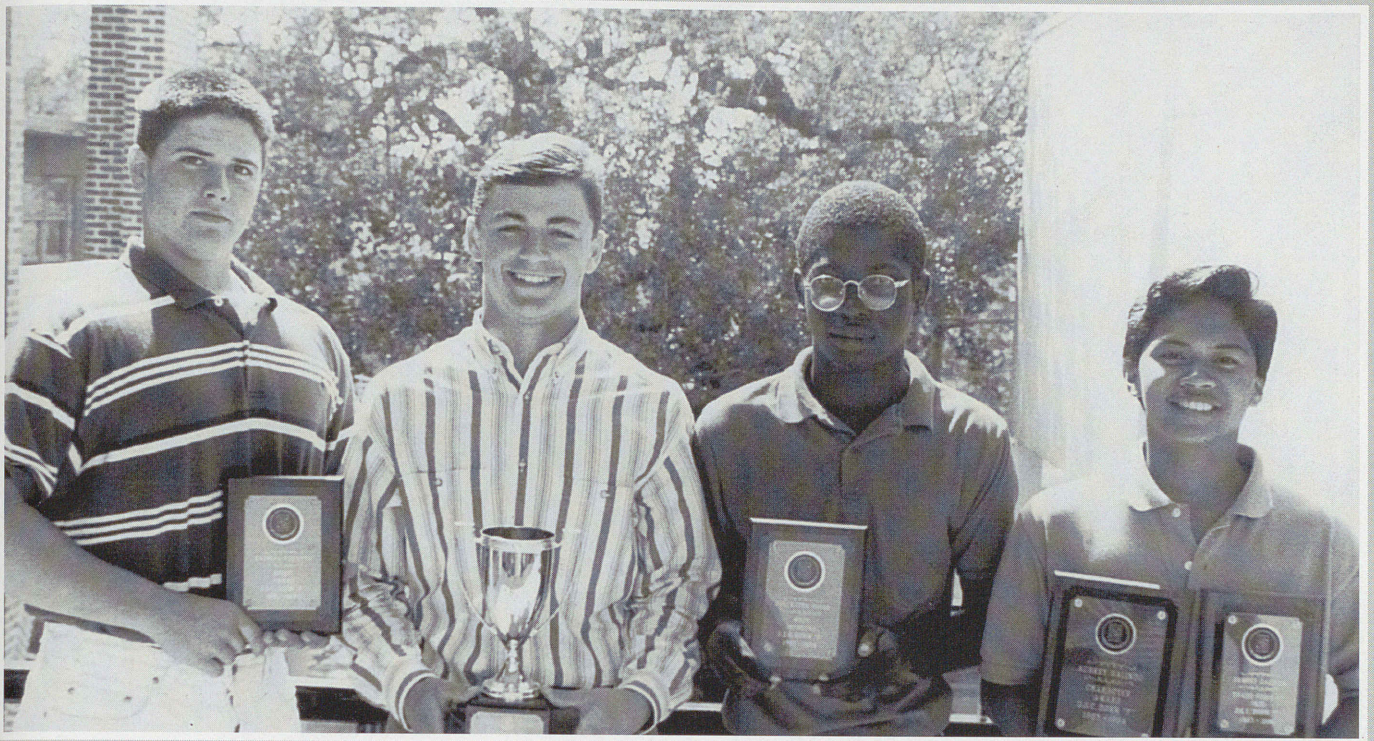

Dorm E also teaches us how to be men and people who have pride in ourselves. In our dorm, we have a daily routine to follow, and if that routine is not followed, we will be punished. When we budget our time wisely and are responsible with our schoolwork, we have time for sports, after-school activities, and the time necessary to develop good, lasting friendships with the other students who are spending the year living and studying on campus.

Everyone said at the beginning of the school year that boarding is boring, but halfway through they said this was the school that changed their lives. May God bless our parents for sending us here, our prefects who guided us the right way, and our teachers and the rest of the Brothers, faculty and staff at St. Stanislaus.

Dorm F

It was a fun and exciting year in Dorm F.

In addition to school's extra-curricular activities, such as athletics, band, Key Club, etc., Dorm F had some activities of its own.

Tuesday night was always some type of game. Early in the year, the favorite was slaughter ball. Later on, it was basketball; and in the last month of school, swimming became popular.

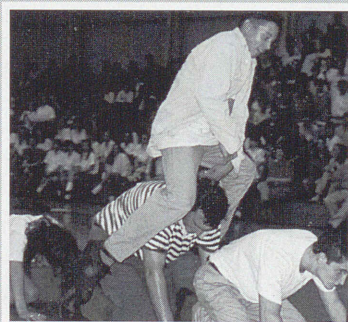

Thursday night was always set aside for the Dorm prayer service.

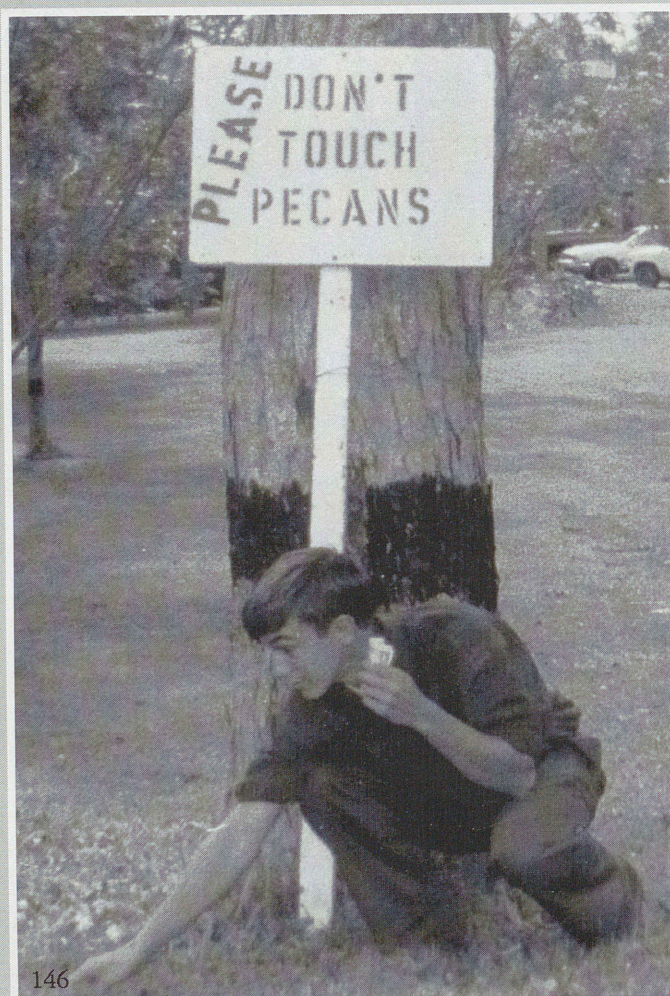

The mall trips on Saturday nights were popular, too.

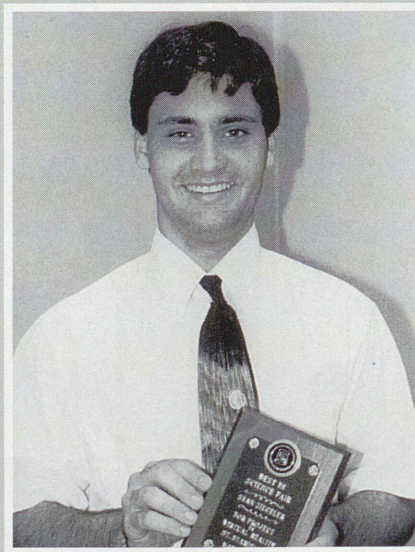

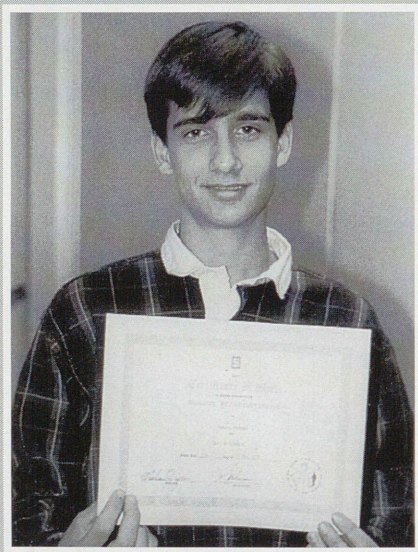

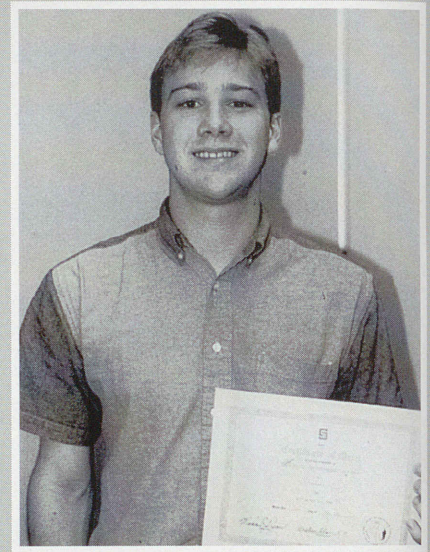

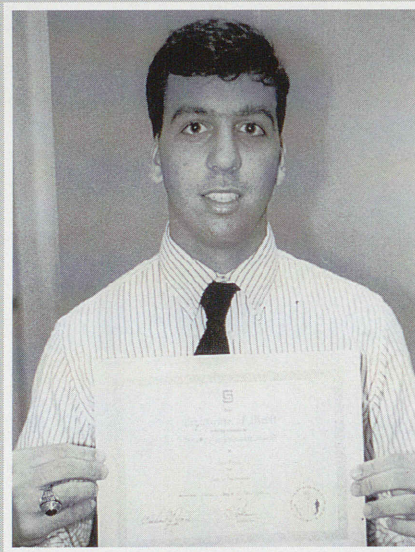

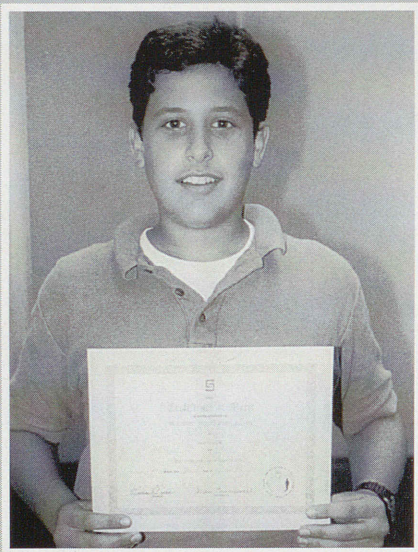

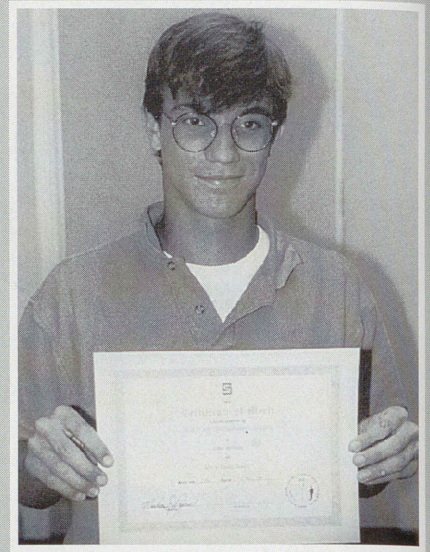

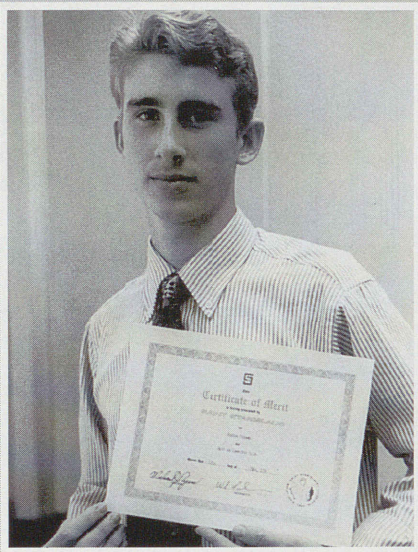

The friendships grew throughout the year and were most celebrated at the Award Ceremony/Crawfish Boil at the end of the year.

Everyone was glad to be leaving at the end of the year but knew that they would miss the daily life of Dorm F.

The Sun Rise

The sun rises
The sun sets

A mother is pregnant
A baby is born

The sun rises
The sun sets

The baby walks
The baby falls

The sun rises
The sun sets

The baby gets older
He gets in trouble

The sun rises
The sun sets

The boy sails
The boy capsizes

The sun rises
The sun sets

The boy is now a teenager
He is a good one

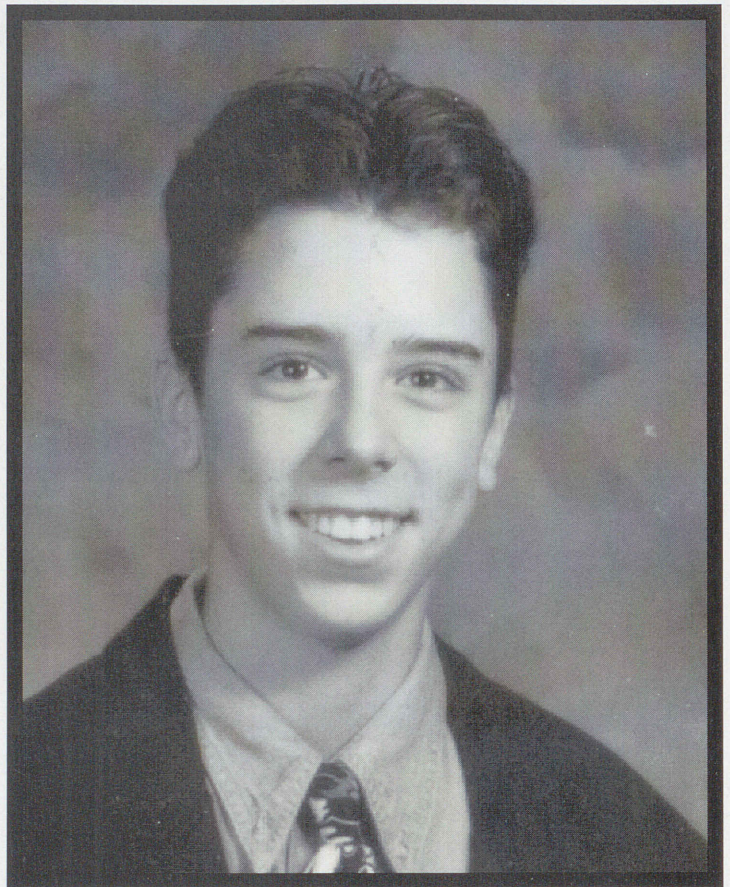

The sun rises
The sun sets

The boy dies,
But he still lives

Things begin and
Things end.
And so goes our life.

The sun rose and
Will soon set again.

"My greatest comfort is that I believe in heaven. And as God blew out the candle of life on Sunday, he opened His door, and Eric walked in and greeted him with that unforgettable smile."

From "My Best Friend," by Wes Pugh
